**Instructions:** *This set of questions aim to better understand life stressors that people face. We are asking some questions about things that might be life changing that may or may not affect your health. As life stressors are different for everyone, we are asking many types of questions, including questions about difficulties people sometimes have in meeting their essential household expenses for such things as mortgage or rent payments, utility bills, or important medical care. The questions are the same for all participants in the study. Please answer them to the best of your knowledge. If you do not feel comfortable answering a question, you can ask to skip that question. All questions pertain to the last 12 months.*

1) During the past 12 months, has there been a time when (you/your household) did not meet all of your essential expenses?
